Message from the President of HKIS

It gives me great pleasure to welcome you to the the Hong Kong Institute of Surveyors Annual Dinner 2012. On behalf of the Institute, I would like to thank our guests, members, industry professionals and friends from various sectors to join the Annual Dinner and share an evening with us. It is of our great honour tonight to have the Honorable Leung Chun-ying, GBM, GBS, JP, Chief Executive of the Hong Kong Special Administrative Region, to be our Guest of Honour.

The Hong Kong Institute of Surveyors is one of the major professional institutes in the real estate and construction industry. Currently, the Institute comprises six divisions, namely Building Surveying, General Practice, Land Surveying, Planning and Development, Property and Facility Management, and Quantity Surveying. Members from the six divisions bring their specific knowledge and skills into full play and at the same time generate synergies to provide holistic and practical solutions for the industry as well as the public.

Teamwork is truly important to make the Institute so successful today. Members' participations and supports are vital from the Institute's daily operations to introduction of long-term strategies. I am glad to see our members' contributions and willingness to offer assistance to each other. This year, we made a number of positive movements and have obtained desirable progress in some ongoing projects. Please allow me to highlight a couple of examples.

The Board of Education liaised with the universities and contributed immensely to beef up the course content to meet our entry expectation to the graduates due to the Hong Kong's Education Reform. At the same time, the Board also made efforts to relevant course accreditations so as to accommodate the introduction of associate membership.

Divisions continue to assist the public with their expertise. Recently, the Building Surveying Division has launched a programme about Mandatory Building Inspection Scheme (MBIS), answering the enquiries that the affected parties may have while promoting the surveying profession to the public.

In face of such a fast changing economy and built environment nowadays, two working groups, respectively on corporate governance and structure, and the HKIS foundation, were formed to explore the way forward. The working groups are responsible for providing a number of options to the current and the coming councils.

To strengthen the competence of the HKIS Secretariat in initiating ideas and implementing work plans arising from the councils' decisions in a timely manner, the Office Bearers has been guiding the senior staff members at the HKIS Secretariat to carry out the management and advisory duties for the Institute.

We shall move to a new office in January after staying at Jardine House for fourteen years. I would like to take this opportunity to express our gratitude to our landlord for its generous supports throughout these years. Certainly, it is crucial to have supports and efforts from the members of the Working Group on Office Premises.

Time flies. It has been eleven months since I run for the HKIS presidency last December. During the period, I have been backed by the strong and capable team of the office bearers, council members, members and staff. I would like to thank them for the unfailing supports and assistance, which allows me to deliver on my responsibilities and duties as the HKIS president. I would also like to express my gratitude to the Organizing Committee, led by Vice President Sr Simon Kwok, for their efforts to make this Annual Dinner a success. Special thanks to all of the companies and individuals who have generously supported the event.

I wish you all an enjoyable evening. Thank you.

會長的話

歡迎各位蒞臨香港測量師學會2012年周年晚宴。謹代表學會感謝各位來賓、會員、同業和來自不同界別的好友，與我們一起歡渡周年晚宴。我們很榮幸邀得香港特別行政區行政長官梁振英先生，GBM，GBS，JP出任主禮嘉賓。

香港測量師學會是房地產及建築業內的主要專業學會之一。現時，學會由六個組別組成，分別為建築測量組、產業測量組、土地測量組、規劃及發展組、物業設施管理組，以及工料測量組。來自六個組別的专业會員各自發揮所長的同時，更能發揮協同效應，為業界及社會大眾帶來全面及可行的專業意見及方案。

建基於會員之間的團隊合作，學會才能達致今天的成就。會員的參與和支持對學會的日常營運以至長遠策略推展極為重要。我對於目睹會員的付出並樂意互相提供協助，實在感到欣喜。本年度，學會推動了多個正面的轉變，並在一些項目上取得理想的進展，請容許我在這裡舉一、兩個例子。

面對香港的教育制度改革，教育委員會與各大學緊密聯繫，就大學修改的課程內容提出意見，以確定畢業生的水平能達到預期的入會要求。同時，委員會亦因去年通過新增的副會員制度，推動相應的課程認可工作。

各組別繼續以其專業知識服務社會大眾。建築測量組正舉辦關於「強制驗樓」的活動計劃，為受影響的團體及人士解答強制驗樓的疑問，亦借此機會向大眾推廣測量專業。

面對現今瞬息萬變的經濟情況及建築環境，學會成立了兩個工作小組，正尋求學會企業管治及架構，以及成立香港測量師學會基金事宜的未來發展方向。這兩個工作小組將向現屆及來屆的理事會提供建議。

為強化學會秘書處的職能，並加強其於獻策及執行理事會議決之工作計劃的能力，執行理事引領秘書處高級職員擔當管理及出謀獻策的職務。

在怡和大廈營運十四年後，學會辦事處將於明年一月遷到新會址。藉此機會，我感謝現時業主對我們過去多年的支持。當然，亦感謝會址工作小組各成員的支持和努力。

時間飛逝。自去年十二月出任學會會長後，轉眼已十一個月。期間，我得到包括執行理事、理事會成員、會員及職員的強大而有能力的團隊支持，感激他們可靠的支援及協助，使我得以履行會長的責任和職務。此外，我亦要感謝由副會長郭志和測量師領導的周年晚宴籌備委員會，讓今晚的活動能夠成功舉行。在此，亦特別鳴謝所有支持今晚活動的公司及嘉賓。

最後，我期望各位渡過一個愉快的晚上。謝謝！

MESSAGE TO HKIS FROM WAVO

Best wishes on the occasion of the Hong Kong Institute of Surveyors (HKIS) Annual Dinner 2012.

HKIS is a valuable member of the World Association of Valuation Organisations (WAVO) and has played an important role in building close ties among the valuation fraternity internationally. With greater global diversity, there is a need to continue to unite the different sectors and groups on their views and stands on valuation matters, and to work towards greater co-operation.
