To welcome the surveyors that passed the Assessment of Professional Competence, a welcoming party was held on 25 Feb 2011 at the Habitat Lounge in Wanchai. Reciprocity Agreement

The very first meeting between QSD of HKIS and RICS Hong Kong Board was held on 22 Feb 2011, with the Vice President of HKIS and five officers of the QSD Council meeting Mr. David Bucknall, the Board Chairman of the RICS UK World Region Quantity Surveying & Construction Professional Group and officials from the RICS Hong Kong. Both parties concurred further meetings could be arranged for co-operation issues.

Reciprocity Agreement between HKIS and ICES

The QSD had signed a reciprocity agreement (RA) with the Commercial Management Stream of Chartered Institution of Civil Engineering Surveyors (CICES) on 7th April 2010. The CICES is an International qualifying body, with its headquarter in the UK dedicated to the regulation, education and training of surveyors working within the civil engineering field.
